

ATTENDANCE POLICY

Your physician prescribed therapy to reduce or eliminate your symptoms. Your participation is essential. It is required that you attend therapy on a consistent basis as prescribed by your doctor. If your attendance does not follow physician's orders as prescribed, progress will be minimal and it will become difficult to justify continuing therapy.

CANCELLATIONS

If you are unable to keep an appointment, you are required to call a minimum of 48 hours before your appointment and reschedule for a more convenient time.

If you cancel without 48 hours notice three times within 30 days, you will be placed on a 30-day hold.

NO CALL / NO SHOW

If you do not show up for an appointment and do not call to cancel, any future appointments will be removed from the schedule until we hear from you.

Patients discharged for not adhering to the attendance policy may return after 90 days with a new prescription from your doctor.
